Bell County, Texas, is a place with a rich history, both good and bad. The county was established in 1850, and its first county seat was the town of Belton. In 1881, the county seat was moved to the city of Killeen, which is where it remains today.

Bell County has been the site of many historical events, both significant and insignificant. The county was home to several Native American tribes before the arrival of European settlers. In the 1800s, the county was a major center of cotton production. During the Civil War, Bell County was a battleground for both Union and Confederate forces.

In addition to its rich history, Bell County is also known for its haunted places. There are many stories of ghosts and other paranormal activity in the county. Some of the most well-known haunted places in Bell County

include the Belton Hotel, the Killeen Public Library, and the Salado Cemetery.

The Belton Hotel

The Belton Hotel is a historic hotel that was built in 1882. The hotel has been the site of many strange and unexplained events over the years. Guests have reported seeing ghosts, hearing strange noises, and feeling cold spots. Some guests have even reported being touched by unseen hands.

One of the most common ghosts seen at the Belton Hotel is that of a young woman named Sarah. Sarah is said to have been a guest at the hotel who died in a tragic accident. Her ghost is often seen wandering the halls of the hotel, looking for her lost love.

The Killeen Public Library

The Killeen Public Library is a public library that was built in 1964. The library has been the site of many strange and unexplained events over the years. Patrons have reported seeing ghosts, hearing strange noises, and feeling cold spots. Some patrons have even reported being followed by unseen entities.

One of the most common ghosts seen at the Killeen Public Library is that of a young man named John. John is said to have been a student at the library who died in a car accident. His ghost is often seen wandering the stacks of the library, looking for books to read.

The Salado Cemetery

The Salado Cemetery is a historic cemetery that was established in 1850. The cemetery is the burial site of many of Bell County's most prominent citizens. The cemetery has been the site of many strange and unexplained events over the years. Visitors have reported seeing ghosts, hearing strange noises, and feeling cold spots. Some visitors have even reported being attacked by unseen entities.

One of the most common ghosts seen at the Salado Cemetery is that of a young woman named Mary. Mary is said to have been a young woman who died of a broken heart. Her ghost is often seen wandering the cemetery, looking for her lost love.

Bell County, Texas, is a place with a rich history, both good and bad. The county is also known for its haunted places. There are many stories of ghosts and other paranormal activity in the county. Some of the most well-known haunted places in Bell County include the Belton Hotel, the Killeen Public Library, and the Salado Cemetery.

If you are interested in the paranormal, then Bell County, Texas, is a great place to visit. There are many haunted places to explore, and you may even have a paranormal experience of your own.
