

Marvel Cinematic Universe Guidebook: The Avengers Initiative

The Marvel Cinematic Universe (MCU) is a shared fictional universe that spans multiple films, television series, comic books, and other media. The MCU is the most successful film franchise of all time, grossing over \$27 billion worldwide. The Avengers Initiative is a team of superheroes that was formed to protect the Earth from threats too great for any one hero to handle. The team was founded by Nick Fury, the director of S.H.I.E.L.D., and consists of Iron Man, Captain America, Thor, Hulk, Black Widow, and Hawkeye.

The Avengers

The Avengers are a team of superheroes who have come together to protect the Earth from threats too great for any one hero to handle. The team was founded by Nick Fury, the director of S.H.I.E.L.D., and consists of Iron Man, Captain America, Thor, Hulk, Black Widow, and Hawkeye.

Iron Man

Iron Man is a billionaire industrialist and genius inventor who creates a high-tech suit of armor to protect himself and fight crime. Iron Man is known for his quick wit and sarcastic sense of humor. He is also a founding member of the Avengers.

Captain America

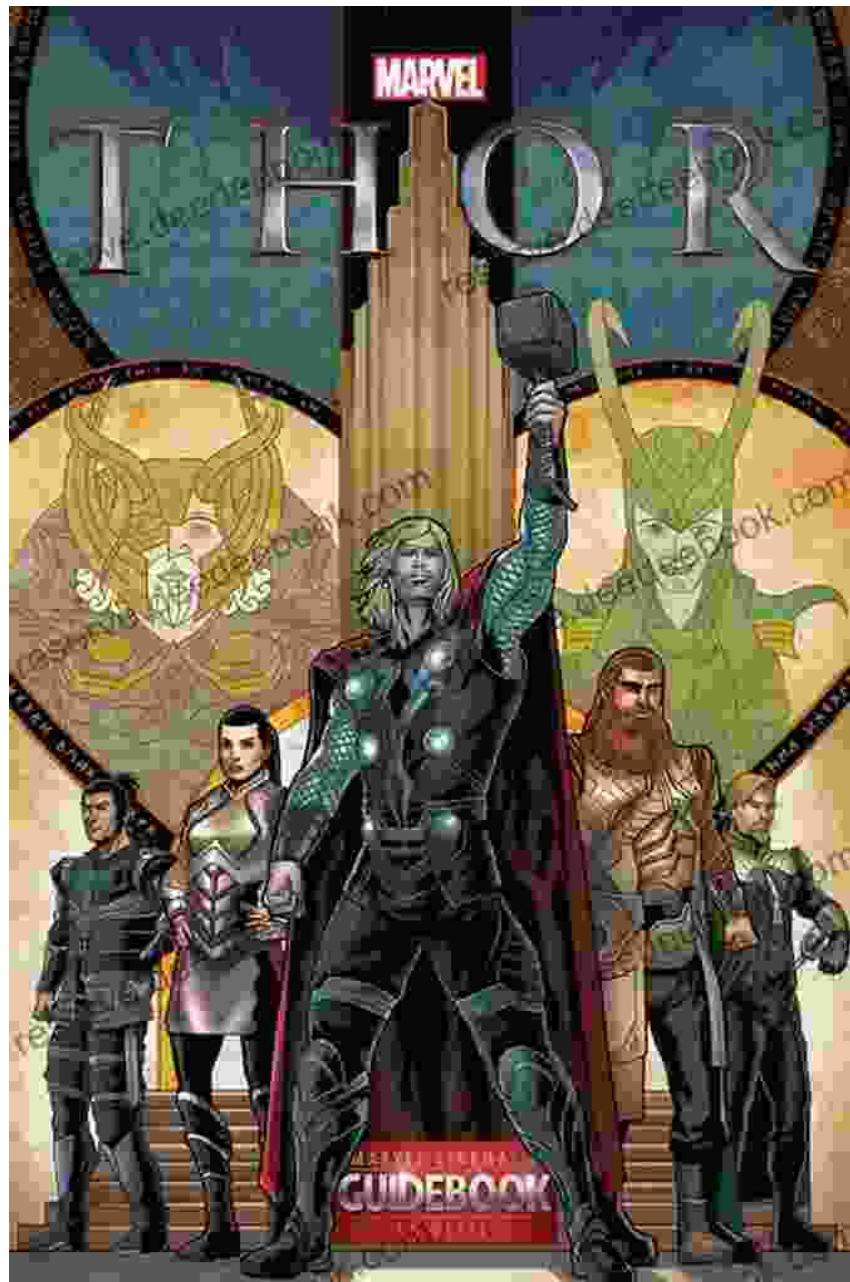

Captain America is a World War II veteran who was frozen in ice for decades and later revived to become a superhero. Captain America is known for his strength, courage, and leadership skills. He is also a founding member of the Avengers.

Captain America is a World War II veteran who was frozen in ice for decades and later revived to become a superhero.

Thor

Thor is the Norse god of thunder and the son of Odin. Thor is known for his strength, speed, and durability. He is also a founding member of the Avengers.

Hulk

Hulk is a giant, green-skinned monster who is incredibly strong and invulnerable. Hulk is the alter ego of Bruce Banner, a brilliant scientist who was exposed to gamma radiation. Hulk is a founding member of the Avengers.

named Leonard Banner received help from friend and restaurateur Stanley, who gave him pizza to use in bribing university security and a student to allow him computer access to obtain his crucial gamma-pulse research data. **WHY IT'S Blue** believed he could use it to cure Banner. However, Banner discovered his data had been removed from the university records. He returned to Stanley's restaurant only for Dr. Ross to see him where he stopped in for a late dinner. Banner tried to flee, but Dr. Ross found him and insisted he let her help. At her home, Ross gave Banner a thumb drive containing his data, which she had been secretly hiding for five years.

Banner and Dr. Ross were unaware that Leonid, fearing for Dr. Ross' safety, had called Gen. Ross and notified him Banner was at the university. While leaving town, Banner saw Gen. Ross' J.A.S.T. approaching and fled, swallowing the thumb drive to keep it out of the general's hands. When Banner saw Dr. Ross being roughly restrained by Gen. Ross' soldiers, he became angry and transformed. The soldiers attacked the creature, but they were soundly defeated. Now enhanced by Gen. Ross' biotech force serum, Blonky directly attacked the creature and led him into the blast range of two powerful Stark Industries sonic cannons. Though stunned by the attack, the creature heard Blonky's screams for her family to stop the assault and fled, destroying both cannons. Without Gen. Ross' orders, Blonky challenged the creature again and was nearly killed when the creature kicked him. Amidst the confusion, Dr. Ross approached the creature and calmed him. When a gimping opened fire, the creature shielded Dr. Ross with his body and hurled a piece of metal at it, causing it to crash; the creature protected Dr. Ross from the

blast. Robert Bruce Banner suffers from Multiple Personality Disorder due to the inheritance of his mother at the family of Captain America. When taken away, he is a child. Starting with a masters in nuclear physics from the California Institute of Technology, Banner worked for the U.S. Defense Department nuclear weapons facility Los Alamos. While there he met Maria Hill under Dr. Charles "Hawkeye" Fury and fell in love with her. Despite Hawkeye's misgivings about Banner's strange past and strange personality, Maria fell in love with him. After a year of marriage, Banner left Los Alamos to work for the Stark Industries. Working there will give him permission, which caused him to maximize his strength, though much of his Hulk strength comes from having a great physical build, plus periodic consumption of meat, resulting in a superior physique to the world. His Hulk was originally named by Gen. Ross and activated despite having a long history of the human form going through mutations and evolution. It was later named after the character of the same name in the comic book series "The Incredible Hulk".

confusion and died with her unconscious form. When an eye-witness, student Jim Wilson, was interviewed by the local news about the battle, he dubbed the creature the "Hulk".

The Hulk and Dr. Ross took refuge in the Smoky Mountain National

Forest until Banner regained human form. Short on money, Dr. Ross sold her deceased mother's necklace for cash. Using an amateur computer connection at a gas station, Banner sent Stenz his original data, inadvertently alerting defense agency S.H.I.E.L.D. and the military, who were monitoring

Hulk is a giant, green-skinned monster who is incredibly strong and invulnerable.

Black Widow

Black Widow is a skilled spy and assassin who is also a founding member of the Avengers. Black Widow is known for her intelligence, agility, and fighting skills.

Hawkeye

Hawkeye is a skilled archer and a founding member of the Avengers. Hawkeye is known for his accuracy, stealth, and fighting skills.

Hawkeye is a skilled archer and a founding member of the Avengers.

The Avengers' Missions

The Avengers have fought many threats to the Earth, including the Chitauri invasion, Ultron, Thanos, and the Kree. The Avengers have also worked with other superheroes, such as Spider-Man, Doctor Strange, and the Guardians of the Galaxy.
